5. **PUBLIC COMMENT**

*Charles Tour- He has known David Mueller for 30 years and backs him up. States that David Mueller is a good person and the community has his back.*

*Heather Baarsch- States that it might hurt Dave if she speaks, but she can't sit there and not say anything. Dave has a wealth of knowledge for this school and has a relationship with the community. It is sad that the district is coming down on the community. When Forest began having his issues the community rallied around Dave to help him and she doesn't understand why the district would let him go.*

*Dan Taber- Dave replaced Dan at the school and says that the mechanic position holds a lot of responsibility. That position splits time between maintenance and mechanic work. Putting someone in that position who isn't familiar with the work would only hurt the school and would cost the school more money if Dave was let go.*

*Sherri Burris- Knows Dave because she works at PVYCC and uses one of the school's buildings. Dave is always there when needed and is good at his job, always getting the work done. States that PVYCC will always welcome Dave with open arms.*

*Kayla Delbar- Dave has helped fix and run the ag shop. He has put in a lot of work to make sure everything runs smoothly like rerunning electrical and gas lines. Dave is always there to help and to make sure the kids can utilize the shop and tools.*

*Sam Phillips- Dave is one of the best people he knows and his the Vice President and lead negotiator for the union. Dave is open to negotiating with the district and is an important piece to the water system and making sure the busses are running properly.*

*Breanna Pruitt- The staff and students love Dave and when he shows up, they all want to talk to him. He is open to helping however he can and is a good role model for the kids.*

*E. Kille*

*Rachel Fansler- Dave is an amazing guy, Randy Freeman calls him "the secret weapon." He is knowledgeable, positive, goofy, the kids love him, he is fun and active. She misses seeing Dave around campus and feels that it isn't as jovial around campus since he has been gone.*

*Jaime Vonfeldt- Dave is fun to be around and fixes everything that he is asked. He even follows up on things to make sure that what he did to fix it worked. It would be a shame to lose him.*
