## Covid School Closure - Cohort Guidance

Revised 8/24/2020

During the Covid school closures distance learning will be the primary delivery model for instruction. Students who are asked to come to campus will do so in a small cohort capacity. Students may be placed in a cohort for the following reasons:

1. Delivery of IEP services
2. Academic Interventions as needed
3. Inability to access internet outside of campus

## Cohort Definitions

1. Not to exceed 14 students in one classroom
2. Not to exceed two staff members per cohort with the exception of specialized services provided through an IEP
3. Cohorts shall be stable. Students to remain with one cohort only

## Cohort Safety Precautions

1. All students and staff shall wear masks.
2. All students and staff shall maintain a six foot distance
3. All adults shall wear a face shield or glasses when in a confined space with students
4. Outdoor spaces shall be utilized whenever possible
5. All occupied spaces shall be sanitized daily
6. All students will sign in to designated locations for contact tracing purposes
7. All students and/or parents will be screened with health questionnaire daily
