“Build Your Summer Story
at Potter Valley”

Summer School Program 2022

Potter Valley Community Unified

Elementary Program:

The Elementary Program will be separated into two different grade level spans, current Kindergarten-2nd Grade and current 3rd-6th Grade. Each program is divided into 1 week sessions that each begin at 8:00 and pickup will be at 11:30 am.

Kindergarten-2nd Grade Program:

1) **Session 1: Monday, June 27–Friday, July 1, 8:00 am-11:30 am**

Topic: Freshwater Biology

Program overview: Looking at the plants and animals that live in a local freshwater environment. Plant and animal morphology, lifecycles, and ecosystem populations. How plants and animals are adapted to their environment. Food webs and niches.

Fieldtrip: Clearlake State Park (Requires a later return, approximately at 2pm)

2) **Session 2: Tuesday, July 5 - Friday, July 8, 8:00 am-11:30 am (4 days) week)**

Topic: Plant ID and Botany

Program overview: Students will study how plants live and grow. Students will learn how to identify local plant species. Students will learn the art of wildcrafting by making useful products from plant materials.

Fieldtrip: Montgomery Woods

3) **Session 3: Monday, July 11 - Friday, July 15 , 8:00 am-11:30 am**

Topic: Fiber Arts Project

Program overview: Arts Education. Projects may include: finger knitting, pattern making and sewing, simple looms for weaving, tie dying, yarn dolls, yarn octopus.

Fieldtrip: Grace Hudson Museum and Todd Grove Park in Ukiah

Potter Valley Community Unified

3rd-6th Grade Program: Students will rotate through three teachers throughout the week. Under each session, there is a description of what each teacher's focus will be.

1) Session 1: Monday, June 13–Friday, June 17, 8:00 am-11:30 am

3 Themes: Maestra's Art and Math , Drama with Ackley, and Science with Wilcox

Program overview:

Art: This week students will be using math to create murals.

Drama: Rewrite the ending of a well known children's short story. They will direct their own brief play with their peers as the actors.

Science: Students will make solar ovens.

Field Trip: on Fridays, TBD

2) Session 2: Monday, June 20–Friday, June 24, 8:00 am-11:30 am

3 Themes: Maestra's Art and Math , Drama with Ackley, and Science with Wilcox

Program overview:

Art: This week students will be creating beaded creations.

Drama: Learn the lines, design the costumes and perform a short play with classmates.

Science: Explore atmospheric pressure, make beef jerky

Field Trip: on Fridays, TBD

3) Session 3: Monday, June 27–Friday, July 1, 8:00 am-11:30 am

3 Themes: Maestra's Art and Math , Drama with Ackley, and Science with Wilcox

Program overview:

Art: This week students will be creating personal mosaic art pieces.

Drama: Each grade level performs one act of the play with their classmates.

Science: Students will make water purifiers

Field Trip: on Fridays, TBD

Potter Valley Community Unified
